CONNECTING/TAP ONS FOR THE WEST)	2008-00451
CARROLL WATER DISTRICT)	

ORDER

On October 22, 2008, West Carroll Water District ("West Carroll") filed an application to increase its nonrecurring charge for meter connections. Pursuant to 807 KAR 5:001, Section 2, Commission Staff rejected the application for filing purposes for its failure to comply with 807 KAR 5:001, Section 10(1)(b)-(e); 807 KAR 5:001, Section 8; and KRS 278.180.

On November 18, 2008, West Carroll advised the Commission in writing of its intent to withdraw its present application. Considering West Carroll's written request as a motion to withdraw its current application and close the present docket, the Commission finds that the motion should be granted.

IT IS THEREFORE ORDERED that:

1. West Carroll's motion to withdraw its application and close the current proceeding is granted.
2. This case is closed and shall be removed from the Commission's docket.

Done at Frankfort, Kentucky, this 4th day of December, 2008.
